

Statement Of RoHS Compliancy

Emcraft Systems certifies that to its knowledge the products listed in Table 2 below of this Statement Of RoHS Compliancy conform to the requirements of the European Union's Restriction on Use of Hazardous Substances in Electrical and Electronic Equipment ("RoHS") Directive 2002/95/EC and the recast RoHS Directive 2011/65/EU. Emcraft Systems products that are identified as RoHS compliant in Table 2 are compatible with the current RoHS restrictions for all 6 hazardous substances (see Table 1 below), including the requirement that lead does not exceed 0.1% by weight in homogenous materials. This status is based on Emcraft Systems' knowledge of the information available from the manufacturers of the devices that are used in its products as of the disclosure date of this Statement Of RoHS Compliancy.
